MASKS, SAFETY & HYGIENE

For the safety of all guests on the property and our staff, our staff will be wearing facial coverings for your safety, and we ask that our guests do the same for us.

Facial coverings will be **required** while moving around the common areas of the property including indoor the Tasting Room and walking to your Veranda table or Lawn space.

If you do not have a mask when you arrive, we will have them available for purchase. On the higher volume days, we will have an employee at the gate to ensure everyone has a mask and issue them there for anyone without one - we will remind everyone at the gate to please have your mask on when you approach the host stand, regardless of whether you have a reservation or are joining us as a walk-in.

With increased safety and hygiene measures in place, we will have handwash stations available and required for all guests upon arrival.

RESERVATIONS

There are two types of standard reservations available: **Indoor Tasting Room or Reserve Room** and **Outdoor Veranda** both for Table Service. There is also the **Vintner's Table** which must be booked at least 48-hours in advance.

Upon arrival, please check-in at the host stand, and you will be directed to your designated seating area. You will have a server either at your table. All seating areas have the same wine and food menu offerings.

We have a limited number of canopy tents available to rent for \$25 per hour, exclusively for walk-ins. Please inquire with a host on arrival about availability. We rent the tents in 1-hour increments, paid in advance. We will give you a 15-minute 'heads up' before your time is up to either extend your time or prepare to depart for the next group.
